911 Business: Paul Sokal reported that in his annual review of 911 addresses he found that the listers maps don't include cemeteries, so the cemeteries don't have addresses. 911 officials recommend that cemeteries have addresses. Paul advised he will take on the work of establishing the addresses if the town will take on the posting the addresses, once established. Motion by B. Tarallo, J Viskup seconded, all approved for Paul to move forward with establishing addresses for cemeteries. Paul further noted the town beach has an address, but no sign indicating such. He will work with road foreman to get address posted.

B. Tarallo moved to adjourn meeting, J. Viskup seconded. Meeting adjourned at 7:40 pm.

Minutes by B. Tarallo.
