### APPRAISAL RESEARCH COMMITTEE MEETING MINUTES WEDNESDAY, MAY 18, 2022, 10:00 AM VIA ZOOM

Attending: Paul Sokal, Chair; Maggie Catillaz; Bob Groff; Paula Moore; Dave Sullivan.

The meeting was called to order by the committee chair, Paul Sokal, at 10:04 am.

Approval of Agenda – Bob Groff moved, and Maggie Catillaz seconded the motion to approve the agenda. All in favor, and the motion passed.

Public comment – None

Approval of the minutes of the March 3, 2022 meeting – Maggie Catillaz moved to approve the minutes and Dave Sullivan seconded. All in favor, and the motion passed.

Consider whether to disband the ARC – The committee discussed its status now that its charge has been completed. We decided that considering the Open Meeting Act, it was better to recommend disbanding rather than a hiatus. Paul offered to attend a selectboard meeting to indicate the completion of our work.

The committee indicated its willingness to assist Maggie McCormick either as individuals or a group at any point in the future. For instance, Maggie McC might want to call on some members to help evaluate the town wide appraisal proposals the town receives

Distill the suggestions and questions from our report into a new, brief, document to re-submit for the selectboard's consideration – The draft of the memo that Paula wrote was discussed. It had one new recommendation: post the ARC Report on the town's website. All agreed to endorse the new recommendation.

Consider whether the town clerk can submit the committee's questions to candidates for the town wide reappraisal – It was the committee's hope that Maggie McCormick would ask our questions as part of her evaluation process. We still are interested in hearing their responses.

Since the committee's work has been completed, no future meeting was scheduled.

Maggie moved and Bob seconded the motion to adjourn. All in favor, and the motion passed. The meeting adjourned at 10:38 am.
