6:35 John called meeting to order.

Bixby Memorial Free Library is asking the Town of Panton to increase the funding to support the library for 2013 - 2014. The increase is approximately \$7000.00 over last year. Peter Morris and Donna Corcoran went over the library's financial position.

The Selectboard asked what other avenues they have used to increase their revenue. Brad Howe explained that most of the avenues that they have tried have not worked out. They are trying to bring the Library up to code and then other avenues can be explored.

The Selectboard will review the information that they received from the Library and discuss it at the January 8th meeting and get back to the Library.

7:07 John adjourned the meeting.

Respectfully,

Jean Miller, Clerk
