

Town of Panton  
Select board Meeting

July 11, 2013/7:35 A.M.  
Minutes (approved 7.23.13)

Attendance:  
Select board:  
Wendy Knight  
Beth Tarallo

Administration, Other Officers and Guests :  
Rick Cloutier, Road Foreman  
Jean Miller, Clerk

7:30 am Meeting called to order by B. Tarallo.

Discussion of potential Loader Equipment purchase. Overview of equipment given by Rick Cloutier, photos of available loader reviewed. Loader will be used throughout winter and summer —will help remove snow piles/large snow banks back in winter, in summer will be used for road work (filling tucks). Noted that a loader is meant for this type of work, whereas our current backhoe is under strain due to being used for loading.

At this time, Rick Cloutier called John Viskup, Chair, during this meeting to provide overview of loader.

8:15 am Motion by B. Tarallo to purchase front end loader for \$57,000. W. Knight seconded, all approved.

General Discussion on surveillance cameras for roads and areas of town as a theft deterrent.

Discussion on coverage for Town office/Clerk responsibilities during summer.

8:30am Meeting adjourned.
